

"MAKE A DIFFERENCE" Program Community Service

"5 Days CAN make a difference in a child's life"
AND, a child can **"Make A Difference"**.

The "Make A Difference" program was established to provide an opportunity for children who have already been to Camp Axios to attend another summer.

Traditionally, given high demand, campers have only had one opportunity to attend Camp Axios. With the "Make A Difference" program, campers can now earn a return trip! Campers must simply **"Make a Difference"** by completing at least **20 hours** of **APPROVED** community service, **and write a 1 page essay** about their experience helping others. Spaces are limited, applications to Camp Axios will be distributed on a first come first served basis after service hours and essays have been received, reviewed and considered by Camp Axios.
